Q. First off, a great finishing round, 6-under par. Just take me through that day.

KARINE ICHER: Yeah, I'm very happy with my round today because we had really tough pin position. The first three days was okay but today it was always on the back and with the wind and the wind changed direction, so it was a completely different course. So yeah, I'm pretty happy and it gives me good confidence for the British next week. It was fun to play here, nice course, it's fun to come back here.

Q. Did you hit it close all day or did you make a lot of long putts?

KARINE ICHER: Yeah, both. It was sometime close to the pin and I had some good putts, so putting was good today.

Q. In four previous tournaments here, you had never --

KARINE ICHER: No, never.

Q. -- made the cut. I mean, I don't mean to bring up bad things.

KARINE ICHER: I know.

Q. But all of a sudden you come here, you're under par all four days. I mean, did you feel good coming back here?

KARINE ICHER: Yeah, yeah, we had a break from '09, I think.

Q. Right.

KARINE ICHER: It was fun to come back here and I can see the difference in my game. I was longer on certain holes and better short game, so differently it's a course that I like, so it's nice to come here.

Q. Are you a scoreboard watcher? Were you watching on the back side to see how close you were?

KARINE ICHER: No, no, I don't. I don't want to watch and to be focused on the leaderboard because until the 18th hole in the hole, it's never finished golf, it's just about that. So I was just about playing my better golf and best that I can and that's it.

Q. So do you know where you stand right now?

KARINE ICHER: I think I'm second or something like that.

Q. You were within one but Creamer just birdied 14.

KARINE ICHER: Yeah, 14, 15, 16 are easier today because of the wind, but 17 and 18 are not easy holes, so we'll see. But anyway, it's a good week and I'm happy with that.

Q. Your play this season has been so steady, it's like you've been playing more consistently, and it's after having Lola.

KARINE ICHER: Yeah.

Q. What's been the biggest difference and how have you been able to play so well with now balancing with being a mom?

KARINE ICHER: The big difference is I'm really less focused on my golf, so maybe give me like more air and to be more relaxed on the course, and that's true. I mean, I can have a bad shot or a bad day, but nothing worth a smile from my baby and I take that like an advantage and it helps me a lot.

Q. She travels with you?

KARINE ICHER: Oh, yeah, she's here.

Q. Do you have a nanny?

KARINE ICHER: No, we have a daycare on Tour, so they're taking care of her. Now we're going to rush to take her back and take a shower and go to the plane.

Q. Are you taking the charter to the British tonight?

KARINE ICHER: Yeah, I think they're going to wait for us.

Q. Yeah, you might want to stay loose.

KARINE ICHER: And we have a short connection.

Q. And your daughter is 13 months?

KARINE ICHER: Yeah, 13 months.

Q. Mine turns one next Sunday.

KARINE ICHER: Oh.

Q. It's the best, isn't it?

KARINE ICHER: It's fun. But she's teething right now so we have, again, our time to sleep. Yeah, we are a little bit more relaxed and take the things as they come, and if I miss a shot, I miss a shot, I'm going to try to do better on the next one. But definitely sleeping issue, it's a problem.

Q. Thanks so much, Karine.
