

ROUND 3 INTERVIEW TRANSCRIPT: JAY HAAS
Saturday, November 1, 2014

Q. Tough day out there, huh? A little bit of everything.

JAY HAAS: Yeah, I wasn't sharp obviously and it was a tough day weather wise. The wind was blowing a little bit harder coming from a different direction. You know, I was just off just a little bit and that showed. And then, you know, hitting the lady at No. 8 kind of -- you know, it just, I felt awful obviously anytime that happens. I understand that she's doing okay, but you know, if you've done it, you know what it feels like. It's not a good feeling when she's laying there bleeding and everything.

Q. It's got to be hard to shake that off no matter how many times it's happened.

JAY HAAS: Right. The situation, you know, that could be an excuse but not really, I just wasn't sharp before that. If I had been sharp, I would have hit the fairway there and not bothered her. So it's probably her first and last time she's ever been to a golf tournament.

Q. But you're still in it.

JAY HAAS: Yeah, yeah, I guess disappointing that I didn't shoot a little better score today, but frustrating that a good one would have given me a nice cushion. It was a hard day. As you witnessed the scores, not many good scores today, but yeah, 76 or 75 was not what I was hoping for obviously.

Q. Those streaks are over so at least you don't have to worry about that coming to the course.

JAY HAAS: That's right, no pressure there. Yeah, just hopefully shake it off and be ready tomorrow. Hopefully it will be better tomorrow.

Q. Birdieing the last hole helped a little bit?

JAY HAAS: Oh, yeah, sure. And I hit a good shot on 17 and just goosed my putt too much and missed it coming back. That was very disappointing not birdieing 15. I haven't birdied 15 yet, I've had to lay up every day. Missed a short one at 14, bogeyed 16 from the middle of the fairway with a pitching wedge. Just one of those days, just didn't feel it, you know. Just didn't feel sharp and it showed.
