

ROUND 2 INTERVIEW: HAROLD VARNER III
May 6, 2016

Q. Just a couple comments about today, 3 under today, you did exactly what you needed to do with all the par 5s, you birdied all the par 5s. Just talk to us a little bit about your confidence going into the weekend.

HAROLD VARNER III: I feel good. Just I'm holing some putts, getting up and down, getting myself out of jams when I have to, just feel good. Just need to keep doing what I'm doing, I think good things are going to happen and that's about it.

Q. One of the things you talked about yesterday was trying to tune out all the distractions, all friends and family hollering at you and everything. Seems like you did that pretty well today.

HAROLD VARNER III: Yeah, I did, I did. A few times it's tough because you hear people calling your name and you just have to ignore them. It's the way that I'm going to be successful, that's what I'm going to do.

Q. Any other keys to your success today? I was on 5 when you had that nice little chip up there within a couple feet?

HAROLD VARNER III: Oh, that was nice, yeah. I'm chipping a lot better. If you can chip and putt it, you can about play anywhere I would think. Also hitting it really well, driving it really well.

Q. Anything about the course playing into your game?

HAROLD VARNER III: Just got to hit it well. You're not going to get any looks, not going to get many wedge looks. I just feel confident just doing the right thing.

Q. The course is playing a little soft I guess because of the rain. Is that helping?

HAROLD VARNER III: Without a doubt, yeah, yeah it is. I think it's helping everyone, not just me. We're just -- I'm sure it will dry up a little bit overnight with the wind and we'll go do it again.

Q. Does that allow you to be a little more aggressive going forward?

HAROLD VARNER III: There's still a couple you just can't, 18 you can't hit it left obviously. The drive is pretty tough so you have to just step up there and hit some golf shots.
