

ROUND 2 INTERVIEW: KENNY PERRY
May 20, 2016

Q. Kenny, you've got to feel good about leading going into the weekend?

KENNY PERRY: Always. It's better to be on top than behind. You never know what's going on out there. Similar day as yesterday, I hit 18 greens yesterday, hit 17 today. I just didn't putt as well today. I missed a couple coming in that I could have kind of stretched my lead out there a little bit that kind of hurt me. But I'm very ecstatic the way I'm hitting the golf ball. I'm driving it beautifully, my irons are good. I just need to get my putter to wake up just a little bit and we'll be doing some good stuff.

Q. With the winds today did you feel like you had to make any adjustments?

KENNY PERRY: Totally different golf course. We had a northerly-easterly winds yesterday, I think today was southerly, and so the golf course played totally different today. A lot longer I thought. A lot of the par 5s I was hitting 6- and 7-iron into, I was hitting 5-woods and woods in today, so pretty challenging. I mean, plus, I don't have a lot of experience here so that was kind of hard. You're kind of out there guessing. This is my first time to ever see this place. But all in all I'm ecstatic. I'm in a good spot.

Q. You touched on this a little bit yesterday, but it's got to be fun you and Langer in the same group out there pushing each other these first two rounds?

KENNY PERRY: It's always good to play with the best. He's by far the best out here, and if you could kind of hang onto his shirttail, you're going to have a good week.
