

**FINAL ROUND INTERVIEW: TOMMY ARMOUR III**  
**May 22, 2016**

**Q. Low round of the day so far. What went so well for you out there today?**

**TOMMY ARMOUR III:** Well, I hit it 66 times, you know, I played well. Made a lot of good putts and hit some good shots. I actually, I didn't hit it that well starting out and then just kind of stuck with it and kind of, the putter, you know, the putter can always separate you.

**Q. Langer would obviously have to come back to get to you, but how about your week as a whole finishing at 9 under par, what do you think?**

**TOMMY ARMOUR III:** I finished at 10.

**Q. I'm sorry.**

**TOMMY ARMOUR III:** That's all right. You know, it's better than 9. I'm glad 10's -- I played good this week and I prepared for this.

**Q. Did you feel like -- I think five birdies I think over the last six, seven holes. Were you kind of aware that you were moving back closer to the lead?**

**TOMMY ARMOUR III:** Well, I mean, anytime you're in a tournament and you make five birdies on the back nine, you know you're not going the other way. You know, yeah.
