

**ROUND 1 INTERVIEW**  
**October 12, 2017**

**KEEGAN BRADLEY (-7)**

---

**Q. That must have felt like a fantastic day out there for you.**

**KEEGAN BRADLEY:** Yeah, it was fun. It was a good round, played well the whole way around, yeah.

**Q. Nice front nine on the back side to get you going. What really worked out there to get you off to this good day?**

**KEEGAN BRADLEY:** Yeah, I putted really well and played the par 5s nice on the back, or on my back, the front. You've got to play the par 5s well out here to do well.

**Q. That was an eagle on 3?**

**KEEGAN BRADLEY:** Yeah, I hit driver, 3-iron to like six feet and made it. It was a really good shot, it's a tough pin.

**Q. You've been around to TPC Kuala Lumpur many years now, I think. Do you find like you're slowly getting the hang of the golf course and knowing what you need to do out there on the greens?**

**KEEGAN BRADLEY:** Yeah, yeah, I played well here in the past so I really enjoy coming here. The people are great, it's a great tournament.

**Q. Is this score a reflection of how you've been playing the last few weeks toward the end of last season?**

**KEEGAN BRADLEY:** Yeah, yeah, I've been playing well and it's just a matter of putting them all together.
