

ROUND 2 INTERVIEW
October 13, 2017

GAVIN GREEN (E)

GAVIN GREEN: Solid today, just a couple of miss-clubs and a couple of missed putts. A lot of missed putts out there, but I gave myself a lot of looks so I can't complain.

Q. (No microphone.)

GAVIN GREEN: Yeah, it's very frustrating out there. No putts are going in and I couldn't do anything. I was losing patience, for sure, because it's so annoying for missing putts. I was hitting it solid and giving myself a lot of looks, just not going in. One of those days.

Q. Is it because of the rain?

GAVIN GREEN: No, it's just a little bit of confidence. It's okay. I mean, hopefully it will come at some point in this tournament.

Q. Do you think there's something you need to work on?

GAVIN GREEN: No, I think it's something is not right with the putting, I don't know what it is. I've got to figure it out before tomorrow because I'm not sure whether it's where I'm aiming, whether it's line reading. But hopefully I can figure it out by tomorrow because I'm hitting it good, just need some putts to drop.

Q. Did your dad see anything like while you're on the course?

GAVIN GREEN: It's tough because we both want birdies and we were giving ourselves a lot of looks, hitting good shots, a lot of good looks but nothing's just going in. It's so annoying. It's when you have to be patient. That's just the key.

Q. The rain delay, did it affect your game in any way?

GAVIN GREEN: I had fun. I just chilled with the family and managed to chill and ate a lot.

Q. Compared to yesterday?

GAVIN GREEN: Today is better, today is better, yeah. Scores, yeah, they're pretty much the same but hitting-wise today.

Q. The guys said that because of the rain it wasn't that easy to get the (inaudible,) the greens were slow?

GAVIN GREEN: I think the greens kind of changed a little bit in terms of break and speed, which kind of messed us up because the last few days we had really nice greens. I mean they're still nice, but they're not as fast. It's a little bit of an adjustment.

Q. Are you hoping for the same weather tomorrow?

GAVIN GREEN: I don't know. It's Malaysia, you know? I'm hoping to make some putts and hopefully that will give me a couple of low scores and hopefully go low on the final day.
