

ROUND 2 INTERVIEW
October 13, 2017

SUNG KANG (-9)

Q. How did it feel? Nice round.

SUNG KANG: It was a little hot, it's always hot a little. My caddie and I just try and be in good shape, the weather's so hot. It's so different from last week and we also have some jetlag from the U.S. Just trying to keep it nice and close somehow, as much as possible and I think I just played pretty good solid golf.

Q. Did the weather delay help or obstruct your --

SUNG KANG: Yeah, a little bit. I mean, my time zone's still not on yet so I feel a little sleepy. Not really as good as this morning but, I still finished all right.

Q. How do you focus in the situation, like sleepwalking on the golf course?

SUNG KANG: I still try to really focus somehow and I think I did it pretty good, so it worked out pretty good today.

Q. Not a bad position going into the weekend, just a few shots behind Pat Perez. Just thoughts about the next two days?

SUNG KANG: Just keep it in play and then I'll have a lot of chances for birdies. I think driving's the key here this week.

Q. You've played here two times before?

SUNG KANG: Yes.

Q. Is this a course that you enjoy, fits your eye?

SUNG KANG: Yeah, some of the holes I like. I can hit the drivers over -- I mean, yes or no. I don't know. We'll see next two days.
