

**ROUND 2 INTERVIEW**  
**October 13, 2017**

**THOMAS PIETERS (-9)**

---

**Q. Give us your assessment of Round 2.**

**THOMAS PIETERS:** Pretty solid, didn't make a bogey. Just happy with my game. My driving's been a lot better, that's what I've worked on the last month.

**Q. Just a few shots back going into the weekend on a golf course which is giving up a lot of birdies. You must be feeling pretty comfortable playing tomorrow?**

**THOMAS PIETERS:** Yeah, I look forward to it. Just get a good night's rest and go out there tomorrow and try to make birdies.

**Q. After spending a couple days here, do you find yourself getting more familiar with the golf course, does it come easier?**

**THOMAS PIETERS:** I played in the past, so it suits my eye. I played decent around here in the past, so yeah.

**Q. What's been working so far the last two days for you on the golf course?**

**THOMAS PIETERS:** Driving. Driving's been better, and putted well, of course.
