

ROUND 3 INTERVIEW
October 14, 2017

KEEGAN BRADLEY (-15)

Q. Keegan, 7 under, no bogeys, you've got to feel pretty good about the clean card today?

KEEGAN BRADLEY: Yeah, I played really well today. Today was the best I played all week, so hopefully I can give it a go tomorrow.

Q. Did you have a number in mind going into today?

KEEGAN BRADLEY: Out here you've got to shoot lowest. I probably need to shoot that again at least tomorrow to have a chance, maybe even lower.

Q. What's the strategy trying to get to that low number tomorrow, what do you think going into that round?

KEEGAN BRADLEY: If you hit the ball in the fairway, you're going to have a birdie opportunity every hole. So the rough is difficult here and if you get out of position there you can (inaudible) fairways and you're going to shoot a low one.
