

GAVIN GREEN (-3)

Q. Getting better as the days go by?

GAVIN GREEN: Oh, yeah. I mean, like I said, I hit it pretty solid again today. A couple mistakes, but it was pretty solid overall. Managed to make some putts coming down the stretch and made putts for birdies, especially 16, 17, 18. I hit a good drive on 18, hit a good second shot, left myself with a pretty easy birdie, almost eagle. So, you know, yeah, just need some putts to drop for me, and then once those drop, I think things -- this course will just change.

Q. Was that the case around the turn, got into a run?

GAVIN GREEN: Yeah, you know, I made some putts, hit some good shots, but I made the important putts like inside 10 feet where the scorings are. So I think that was the difference, all I did was make more putts. I worked with my mental coach this morning and we tried to just change something up. Hopefully it works for the game today.

Q. Sets up for a strong finish?

GAVIN GREEN: I sure hope so. I hope I get a tee time in the morning and tee off 1. I have a couple of scoring holes coming down the stretch on the back nine. I'll try to get off to a good start again and see what happens. I'm going pretty hard tomorrow.

Q. Are you keeping a close watch on the Merit list as well, Order of Merit?

GAVIN GREEN: Yeah, I think so. If I can get another under par round tomorrow, a solid one, I think I don't know how Lipsky and Jazz is playing. They've been playing well. It is what it is. Just going to go and try and do my best.

Q. Way better round today, Gavin. How are you feeling?

GAVIN GREEN: I feel okay. Like I said, the only difference today, I hit it quite solid again but I made more putts. That was the difference. The whole week, today I made a little bit more.

Q. Yesterday you said you wanted to work a little bit --

GAVIN GREEN: I worked with my mental coach, so we just did a little bit of pre-shot routine, changed it up a little bit.

Q. It's working so far.

GAVIN GREEN: Hopefully, it will help me again tomorrow.

Q. The pre-shot routine, what was it?

GAVIN GREEN: No, it's just a little bit of mental, the way I think.

Q. So how you approach the shot?

GAVIN GREEN: Yeah, it's just a little bit of how I -- other than that, I hit the same, I hit solid again. Just a little bit more putts dropped for me today and that was it.
