

ROUND 3 INTERVIEW
October 14, 2017

SUNG KANG (- 16)

Q. What a day it has been for you shooting a 65 out there and very much in contention?

SUNG KANG: Yeah, I played pretty good today, and Pat really made a lot of putts today. So, I mean, I had some chances but I didn't putt as well as, I mean, I should have. So hopefully tomorrow I putt a little bit better than today and have some good start. There's a lot of birdie opportunities so I look forward to it.

Q. You seem to be in really good form but five shots back. What's going through your mind as you step up to play 18 holes tomorrow, can you catch him?

SUNG KANG: Yeah, if he shoots 4 under it will be same score, so who knows. I'll try my best tomorrow.

Q. Today's condition any better than yesterday when it was hot, wet?

SUNG KANG: I don't know. Both days were pretty hot anyway so it doesn't really matter to me.
