

ROUND 3 INTERVIEW
October 14, 2017

XANDER SCHAUFFELE (-17)

Q. You're in good position again today. How do you feel after today's round?

XANDER SCHAUFFELE: Good. Oh, bad, went up against a 64 and a 65 today, so I was the hack of the group today, but happy with how I played.

Q. How is that when you're seeing guys go so low in your group, having to keep pace, what do you do mentally?

XANDER SCHAUFFELE: It's fun. You would much rather have the group chasing forward up the leaderboard than kind of stagnant. So it's all good. You know, watching both those guys make putts is always a good thing visually for me.

Q. Does that spark you and get you going, too?

XANDER SCHAUFFELE: Yeah, absolutely. Like I said, you want to see guys making putts in front of you. Then you feel like the hole's just a little bit bigger.

Q. Do you have a number going into tomorrow that you'll need?

XANDER SCHAUFFELE: I'll have to look at the leaderboard. I don't really know exactly where Pat's at and exactly where I'm at. Yeah, it depends. I'm playing with Pat again, which was a lot of fun today. We'll have to figure a number out tomorrow on the course probably.

Q. Just the details on the eagle for today?

XANDER SCHAUFFELE: Oh, driver and then I think I had 250 pin, hit a 4-iron up there about, I don't know, 18 feet and then made the putt for birdie.
