

FINAL ROUND INTERVIEW
October 15, 2017

KEEGAN BRADLEY (-20)

Q. How would you assess your day and your week?

KEEGAN BRADLEY: I played well enough to win this week, but Pat Perez playing exceptionally so happy for him.

Q. Starting the day five back of Pat, was it always going to be difficult to catch him or did you feel like he did something on the front nine especially?

KEEGAN BRADLEY: Yeah, I mean for the last two days, every time I made a birdie, he did, too. I played really well this weekend. The second round I shot 1 under, that's what got me, but I'm really proud of this week.

Q. Your third top-10 here at TPC Kuala Lumpur at the CIMB Classic, your best finish here. What is it about this golf course and this place that you're enjoying?

KEEGAN BRADLEY: I just love the course. It's fun to play. Par 5s are fun, you make a lot of birdies and eagles, so it's a great tournament.

Q. Outside the golf course, is it a place where you've enjoyed being around the outside and downtown?

KEEGAN BRADLEY: Yeah, I've really come to really like Kuala Lumpur. Every year we come it seems more and more people show up, so it's a very cool place.
