

JUSTIN THOMAS (-11)

Q. How were you a little bit low on gas coming to the week but finished strong with a 67, just sum up the past week here in Malaysia?

JUSTIN THOMAS: Yeah, I was definitely low on gas. It's been a great but a long year, for sure. So I was -- I really played well the last two days, which was nice to see. I just didn't make enough putts and didn't capitalize on enough opportunities to have a really good finish. But I did the best I could so that's all I could ask for.

Q. Third time now visiting the CIMB Classic. What brings you back every year? Apart from winning the first two times, what's special about Malaysia?

JUSTIN THOMAS: I mean, it's a place that I play well. I mean, it suits my game well. It's a lot of wedges and I feel like I'm able to take advantage of my wedge game really well, I even did so this week. Like I said, I just didn't make those putts like I was the past couple years. But I don't know, it's a welcoming feeling. Everyone here is very supportive, very nice. It really is a great event.

Q. Is this one of the events that when you plan your year ahead, you're going to play in this one?

JUSTIN THOMAS: Yeah, there's not really any event other than the majors, that's really the only ones that are like that. Definitely this is one of those events like a lot of them that, you know, I'm focusing on more or I'm looking at like hey, I'm probably going to want to play this. But you just don't know, you don't know what's going to happen, an emergency comes up or anything like that. But yeah, it's definitely one that's been circled the last couple years.

Q. How have you enjoyed the fan support this week?

JUSTIN THOMAS: It's been great. It's been great like it has been the last two years. A little different feeling coming this year as opposed to the last two years, but it was a good kind of different. I thank everybody for coming out and CIMB and everyone for putting on a great tournament.
