

**ROUND 2 INTERVIEW**  
**November 11, 2017**

**KEVIN SUTHERLAND (-10)**

---

**KEVIN SUTHERLAND:** That was the best 4-iron I've hit in a while.

**Q. From how far?**

**KEVIN SUTHERLAND:** 231 to the hole.

**Q. Six feet or five feet?**

**KEVIN SUTHERLAND:** Five, six feet, yeah, somewhere in that area.

**Q. Did you know it was for the lead or that's kind of irrelevant at this point?**

**KEVIN SUTHERLAND:** Yeah, I would be shocked if that's leading. You know, I'm leading just because I was early.

**Q. But you're in position?**

**KEVIN SUTHERLAND:** Yeah, I played good, got myself back in the tournament. But you're going to have to go out and probably shoot something similar to that tomorrow. You know that going in, so that's just the way it works.

**Q. The pins seem to be tougher today, but not for you. I mean, a lot of guys were struggling with even No. 1 and --**

**KEVIN SUTHERLAND:** I thought the pins were a little tougher today. No. 1 I thought was tougher, No. 2 I thought was tougher, No. 4 was about the same. You know, I thought as a general rule the pins were either the same or a little bit tougher than they were yesterday. The pin at 17 is a tough pin and I think the pin on 16's a tough pin, right in front.

So yeah, it was playing a little tougher, but I got in a good rhythm. I got some momentum early, which I've been kind of lacking a little bit lately. So if you get some momentum early, it's really nice and the round just kind of fell into place.

**Q. Tomorrow do you have -- how close you've been so often, does that put more pressure on you or more of an opportunity?**

**KEVIN SUTHERLAND:** No, I can't change what happened yesterday, what's happened in the past, so I just keep moving forward. I can't change what happened at a tournament earlier this year, so I'm not going to dwell on that at all tomorrow. It will have no effect.

**Q. So it's an opportunity?**

**KEVIN SUTHERLAND:** It's another opportunity, absolutely. That's the best part. That's why when you say that, I'm smiling. You want opportunities, that's what I've got tomorrow.
