

MIGUEL ANGEL JIMENEZ (-8)

MIGUEL ANGEL JIMÉNEZ: We need to go. Yeah?

Q. So you finished second here last year. What do you like about this golf course?

MIGUEL ANGEL JIMÉNEZ: This is a very nice golf course. As long as you hit it good, you will make birdies, but if you no hit it good, you will no -- tough to make birdie some days, no? It's a nice golf course, where you play all the course from the back, and I feel good here, feel good on the golf course, yeah, great course.

Q. You had a couple of birdies coming in there. What did you do on those?

MIGUEL ANGEL JIMÉNEZ: Yeah, well, this -- I make a birdie, and -- I confused because I start on the 10th. On the par 5 -- is it the sixth? Par 5?

Q. Yeah.

MIGUEL ANGEL JIMÉNEZ: I hit a very beautiful driver, and I make a mistake and missed a birdie, but then I accomplish that with a birdie on the next two holes, where I hit the driver and 9-iron to the 7th, I put the ball, like, 2 and a half feet. And then on the 17th I hit a nice, low driver there and then a nice -- and like, three and a half, four feet. I did not play great, played solid.

Q. You played a few times this year, not in America --

MIGUEL ANGEL JIMÉNEZ: I've been around the world.

Q. Yes.

MIGUEL ANGEL JIMÉNEZ: Yeah.

Q. How does that play into all that travel? Does that wear you out still, or are you still fresh?

MIGUEL ANGEL JIMÉNEZ: No, now a little bit, okay, but last week it got me. After being Hawaii, then Hawaii to Dubai, then come back to Florida, you know? Last week it was a little bit -- I'm now feeling much better, you know? After 10 days when I come from Hawaii, you know? And is better here, no? Last week I didn't hit it as good as I would like to, and see what happens, you know? This week I've been hitting good at the moment, very nice, and nice, and I like this golf course.

Q. So even though it's the second week in a row, you feel refreshed because

you've been in the States for two weeks in a row?

MIGUEL ANGEL JIMÉNEZ: Yeah, I feel much better. Good?

Q. Thanks. Miguel
