

FINAL ROUND INTERVIEW
March 11, 2018

VIJAY SINGH (-11)

Q. Vijay, first off, congratulations. Did you know what you needed to do to get that ball up and down there at 18?

VIJAY SINGH: There was a scoreboard right behind me, I had a look. I knew that Tommy did not make birdie, so I made birdie. And the guys behind me were at 9 under, so I was quite comfortable making birdie there.

Q. Do you feel like there's been more pressure on you to get that first individual win?

VIJAY SINGH: Yeah, every time I tee up here I put so much pressure on me that I have to win. Kind of the wrong way to approach it. Just go out there, and like this week, I just go out there and say just play and enjoy. If you win, you win. If you don't, there's always next week. So that's the way my mindset is.

Q. You got this win so early in the season. Will this affect your schedule playing a little bit more on the PGA Champions?

VIJAY SINGH: I plan to play a lot here. Playing Biloxi and see what happens after the Masters, but my plan is to play a lot more out here.
