

**ROUND 2 INTERVIEW**  
**August 3, 2018**

**HAOTONG LI (-7)**

---

**Q. Perhaps not the finish that you wanted today, but what positives can you take from your round?**

**HAOTONG LI:** Well, actually, 1st through 16th hole was pretty good except the last two, and today played really solid and didn't really drop a shot except last.

**Q. What have you been doing well that you need to keep doing over the weekend to make sure that you're there in contention?**

**HAOTONG LI:** Well, I think I drive the ball okay this week, better than average, and iron play really good, so give me a lot of birdie chance here.

**Q. Overall, was it a good birthday today?**

**HAOTONG LI:** It is pretty good. Getting old, 23. Can't believe that quick.
