

FINAL ROUND INTERVIEW
August 5, 2018

JUSTIN THOMAS (-15)

Q. Can't think of a better way to get your game honed up for defending a PGA Championship and to win the week before, especially a World Golf Championship event, and you're going to be the last winner ever at Firestone. That's got to make you feel kind of special.

JUSTIN THOMAS: It does. I'm glad I finally played well around here, just in time for it to leave. But yeah, I got a little choked up when I looked over and saw my grandfather over there.

Q. He played in the 1960 PGA Championship here. It's got to be an unbelievable feeling for the family to have a grandson come along with a victory.

JUSTIN THOMAS: It's really cool. They don't get to come out that often anymore, so this is my first PGA TOUR win with him here so it's special.
