

ROUND 1 INTERVIEW
11 October 2018

KIRADECH APHIBARNRAT (-3)

Q. How was your first round as a PGA TOUR member?

KIRADECH APHIBARNRAT: Well, I got a good start, first six holes, 3 under for six holes and then a little bit quiet at the end. Didn't drive the ball well today, putting is on and off. I mean overall it's not my A-game out there. There's a lot of birdie opportunities on this course, especially the wind doesn't pick up, it's great conditions. Everyone made a score, but I just can't do anything.

Q. You're obviously disappointed, but how will you try improve the next three days?

KIRADECH APHIBARNRAT: Well, I try to work on my golf swing. I don't playing golf three week before this week. Just go out there and hope that I hit a couple shot like good swing and I can remember the feels. I just need one or two good shot and it will come back again.

Q. Did you struggle with injury?

KIRADECH APHIBARNRAT: No, not today, but I just feel like I'm not 100 to practice the last couple weeks, but it's on the positive side.

Q. So you're feeling a bit rusty. Will you still go out there and try and hit some balls, try and work on your game?

KIRADECH APHIBARNRAT: No, I think it was too hot today to practice. I want to save my energy and hopefully I get a couple shots tomorrow before I warm up and just get it roll.

Q. Is there any positives that you can take out from this round and bring with you to the next three days?

KIRADECH APHIBARNRAT: Well, I was thinking I'm not -- it's not my A-game today. I still can shoot under par, I was 3 under, a little bit far behind from the lead, but on the worst day I can shoot under par, I think it's not a bad day at all. Just a little bit quiet slow start, but hopefully it will get a little bit hotter, on fire the next three rounds.
