

KIRADECH APHIBARNRAT (-10)

Q. Your thoughts on the 4 under today?

KIRADECH APHIBARNRAT: Keep improving. My ball-striking is much better, improving every days, but the thing is I got a great start every three days but it's so quiet at the end. You know, eight par in a row today. Three day was just one bogey, but 11 birdies on this course and, you know, it's not enough to catch up to leader. I don't know, just try to work more on the greens and hopefully the putts will drop tomorrow.

Q. What's been holding you back?

KIRADECH APHIBARNRAT: I think it's all about putting, I just can't hole a putt. My putting stroke doesn't roll the ball well on the green this week. And then ball-striking, it's improving, it's not my A-game from beginning of the weeks. But overall I can still playing, but not -- I mean, you know, not put any pressure on the top of the leaderboard.

Q. Nothing to lose tomorrow, how will you approach the final round?

KIRADECH APHIBARNRAT: Just try and go low. 59's the number.
