

ROUND 3 INTERVIEW
13 October 2018

BRONSON BURGOON (-17)

Q. Some thoughts on the day? Obviously I think the leaders are at 19 under or so playing the last, so you'll be within a couple shots.

BRONSON BURGOON: Yeah, I mean, it was a little frustrating at first, to be honest with you, especially seeing Paul and Austin get off to such quick starts and I was just lagging behind. Really wasn't doing much good until the eighth hole, I hit a good iron shot and kind of got me going a little bit. Really played good on the back, just a few really makeable putts, but besides that, pretty pleased.

Q. What will be the strategy tomorrow? Obviously this is a course you've got to go low.

BRONSON BURGOON: Yeah, just same stuff. I mean, honestly, if I would have holed just a few more putts, I would have had another really low one.

Q. Seemed like the back nine's playing a lot more difficult than the front nine for guys. Why was that today?

BRONSON BURGOON: I found it the exact opposite. I shot 1 under on the front and I shot 4 on the back with a couple really short missed putts, but I played really well on the back. I drove it well, I was hitting my irons pretty good. Yeah, I definitely left a few out there.
