

CHESSON HADLEY (-21)

Q. Just a quick word about that 66, must be delighted over that.

CHESSON HADLEY: Like you wouldn't believe. I haven't been playing well for a while and to have a good tournament like this is really, really nice. Got the putter going this week, which was great. That's really been the reason why I haven't been playing well. My long game's been excellent, but I just haven't been able to get the ball in the hole and if you can't do that, you're not going to score, but I was able to score this week. It was just a really nice tournament from start to finish. The travel and the food, everything has just been really good, so very pleased.

Q. Did you do anything different with your putting this week?

CHESSON HADLEY: Well, yeah, I had to do something. I just changed it up, just got it -- I just got it to how I could see the ball rolling the way I want it to roll and then I just committed to it. Fortunately, my lines and my pace were lining up and made quite a few putts this week, so it was great.

Q. Not a bad start to the new season, isn't it, especially with the FedExCup race just starting?

CHESSON HADLEY: Yes, yes. I guess Bronson's playing the last hole here, he's at T-2 as well, so hopefully we can finish off right there.

Q. Does this put you off on a strong footing now heading to Korea?

CHESSON HADLEY: Absolutely. I mean, this was a huge success and just going to build upon it and try and do the same thing next week and hopefully be one spot higher.
