

**KENT JONES (-9)**

---

**Q. So great round, great tournament. Can you talk us through the last three holes, those birdies, and kind of your round as a whole today?**

**KENT JONES:** Yeah, it was two different nines, so it was an okay start, wasn't playing that great but making pars. Made one bogey, but then made a really long putt on 7, so I'm feeling good again. But then bogeyed 8 and 9, so 2 over on the front, just wasn't hitting it very good.

Then went to the back nine and one of those things where you never know, like all of a sudden putts start going in and you never know when it's going to happen and it happened on the back nine. I made so many putts. I birdied 10, which sort of really helped a lot getting rid of those two bogeys. You could see it was playing tough, so I wasn't panicking too much and just hung in there and made some good up-and-downs for pars, a couple bunkers up-and-downs, just being patient.

Then actually finally started hitting it good the last three holes and hit two great pitches to three or four feet and then made another fairly long putt on 17, finished with three birdies. Unreal finish.

**Q. How was the wind today? Was that a factor at all?**

**KENT JONES:** Absolutely. It was blowing and it was blowing hard enough to have an effect, but it just seemed to be -- I don't know if it's switching or if just gets in the trees and it swirls. It seems like it was really hard to know where it was coming from.

**Q. Is this extra special to you considering you got your card last year, last December through Q-School? Is this where you thought you would be?**

**KENT JONES:** Yeah, I thought -- I was hoping to be better than this starting out, but I knew I had a chance. You put yourself in position and just hope to play well in the Playoffs, so it's nice to do that.

**Q. You projected yourself up in the standings, I believe you're at 23 now --**

**KENT JONES:** Really?

**Q. -- which is impressive.**

**KENT JONES:** Oh, wow, I didn't realize that. That's a big jump then.

**Q. I know, it's a great jump. So we'll see you next week?**

**KENT JONES:** Awesome.

**Q. Looking forward to L.A.?**

**KENT JONES:** Yeah, absolutely.
