

## KEEGAN BRADLEY

---

**Q. Keegan, lovely round from you here today and it was much nicer conditions.**

**KEEGAN BRADLEY:** Yeah, it was. You know, it was a little bit nastier this morning, and then it got really nice towards the end of my round. It was a good round, for sure.

**Q. So 6 under and that's moved you right into the top end of the Australian Open.**

**KEEGAN BRADLEY:** Yeah. I mean, that's a bonus because it's tough to come over here for a week and get right into contention. I'm really looking forward to this weekend and hopefully giving it a little run.

**Q. Can you talk us through your round and any holes that might stand out as highlights?**

**KEEGAN BRADLEY:** Well, I played really solid all day. I only missed one green. Yesterday I played really well, but didn't make any putts. Today I rolled in a couple, which was -- it feels so good because you hit the ball great and if you don't make the putts, doesn't matter.

**Q. What was the difference do you feel with the putter between today and yesterday?**

**KEEGAN BRADLEY:** I worked on a little something this morning, some of the drills that I do, and I just tried to feel a little less tense over the ball and that helped.

**Q. Obviously a nicer day today, so we have a few more crowds out there. What's it been like playing in front of Aussie fans?**

**KEEGAN BRADLEY:** It's been great. The Australian Open has been incredible, I've really enjoyed it. I've enjoyed Sydney and I look forward to this weekend and hopefully come back in the future.

**Q. I know that you've been struggling a little with jetlag this week, so have you managed to get out and see any of Sydney?**

**KEEGAN BRADLEY:** I have, yeah. We've been out and checking it out, going to some restaurants. I really, really enjoyed the city and I look forward to this weekend, seeing it even more.

**Q. Now, looking forward to the weekend, obviously Kuchar's right up there as well,**

**what's your plan?**

**KEEGAN BRADLEY:** My plan is to keep doing what I'm doing. I'm hitting the ball good. If I can just keep rolling in some putts, I should be right there.

**Q. And would a Sunday battle between you and Kuch be the dream?**

**KEEGAN BRADLEY:** That would be fun, yeah, I would love that. That would be a great time.
