---

**Q. Amazing day. Congratulations, what a super round. Blemish-free, seven birdies. It looked spectacular from our position here in the studio. How was it for you?**

**AZAHARA MUNOZ:** Thank you. It was a good day of golf. I pretty much didn't miss anything. I missed couple of drivers, I hit it into a bunker, and hit really good shots from there. I actually think I hit 17 greens. And gave myself lots of chances. A lot of good putts didn't go in, but a lot of them did. I just couldn't be happier.

**Q. Well, that approach shot to the 18 was just magic. Did you feel like you were just cruising home?**

**AZAHARA MUNOZ:** Yeah, I mean, I was playing so good. I was trying to keep myself calm out there. And I haven't been closing out very well the last couple of days, so on the last it was a tucked-in pin, but I got a perfect number, so it was -- and it was such a good shot to begin with.

**Q. Incredible. Looking at some of the highlights of your round here. How is the course playing today?**

**AZAHARA MUNOZ:** It's really nice. It's firming up a little bit, but I would say that there is no wind, so it's been a bit easier today. But the greens roll so good. And I just love playing Australia. It's so fun to play these kind of golf courses. I'm always really happy to be here.

**Q. You had a great weekend last weekend, of course the Vic Open. You have had a great start to this year. I know that for a couple of years you struggled (inaudible.) Do you feel like you're a renewed player now?**

**AZAHARA MUNOZ:** I think so. For a long time, I just had no energy and I was feeling really bad, and I didn't know what it was. So, finally we found out what it was. And I started to see the doctor, and I think things are only going to get better. I have way more energy. I feel good, I feel more calm. So, I think that it's going to get better and better.

**Q. Great score today. Probably a little bit too far off the top two to see a change at the top of the leaderboard for you. But how will you celebrate tonight? Will you get out to the Fringe Festival?**

**AZAHARA MUNOZ:** I wish. A couple of glasses of wine, for sure.

**Q. Sounds like a great plan. Congratulations. Been lovely to have you back Down Under.**

**AZAHARA MUNOZ:** Thank you so much for having me.
