

CAMERON CHAMP ( -5)

---

**Q. How would you describe it out there? Knocking it around, what was it, 67?**

**CAMERON CHAMP:** Yeah, it was a solid round. Hit it extremely well, gave myself a lot of chances. You know, struggled with the speed a little bit, but I was able to take advantage of the par 5s today, and then a nice chip-in on 17 from the bunker. So all around, you know, I got it up and down when I needed to, especially on 7 and 8, made some nice putts. It was just a nice quality round.

**Q. Was that kind of the turning point in your round, when you were able to get through that stretch of holes?**

**CAMERON CHAMP:** I think so, yeah. Like you said, kind of finishing off, I really didn't hit that bad of a shot on 7, just a little pushed 6 in the bunker, got up and down. Thought I hit a good shot on 8, just came up a touch short. Just to be able to get those up and down and just keep the round going's always nice.

**Q. What's this week like for you? I know you had your charity event earlier in the week, you have a lot of friends around the Sacramento area that probably made the trip down.**

**CAMERON CHAMP:** Yeah, it means a lot. Like I said, I haven't -- I showed up to the course today, I haven't been here since I had some family stuff going on. I'm going to drive back to Sacramento and stay there the rest of the week. Yeah, it's a special week and I've got my family coming out as well, so see what happens.

**Q. So you're doing the commute each day?**

**CAMERON CHAMP:** Yeah.

**Q. Road warrior.**

**CAMERON CHAMP:** I don't have a choice, I don't have a choice.
