

SEBASTIÁN MUÑOZ (-16)

Q. Sebastián, another solid day, bogey free. I watched most of the day and I look at it this way, you hit a bunch of good putts on the front nine that didn't go in, all of a sudden on 11 putts started to fall.

SEBASTIÁN MUÑOZ: Yeah, you're right. I think I played -- I hit the ball better in the last two days, but yeah, they were not dropping and I just had to stay patient a little longer and back nine they came back.

Q. Did you have to say anything to yourself, because I know you're in the final group and you're seeing birdies go up on the board and you know you're playing well. What do you say to yourself to stay patient and say, hey, listen, there's a lot of golf to still play here?

SEBASTIÁN MUÑOZ: Yeah. I mean, that's a tough one because whenever I saw the board for the first time was on No. 8 and yeah, we were like two or three back of the lead already. I'm like, just stay patient, they're going to drop, they're going to drop. You know, I had a couple long ones that went in and I'm happy about it.

Q. So more of the same for tomorrow, you just stay patient and keep hitting the ball well, because if your ball-striking continues on the path that it's been on for the last two days, it means you're going to hit it solid again tomorrow.

SEBASTIÁN MUÑOZ: Yeah, I feel really good with my swing right now. We're going against the hottest golfer in the world right now. You know, just hit a lot of greens and try to make some putts.

Q. A bit of a slow start today, but then you found something on the back with a couple birdies to keep pace. What clicked?

SEBASTIÁN MUÑOZ: I don't know, I was playing solid all day and in the back nine the putts started to drop, so I mean a bit of luck, I guess.

Q. Look at the forecast for tomorrow, it's going to be windy, a little bit cooler. Does that favor you?

SEBASTIÁN MUÑOZ: That's great. I mean, I didn't even look at the forecast, but yeah, it's going to be playing different, I guess a little tougher, like today play compared to yesterday, but we're going to go out there and grind it and do our best.
