

**BROOKS KOEPKA (+2)**

---

**Q. How would you kind of assess the last two days?**

**BROOKS KOEPKA:** Not very good. It wasn't good at all, but figure it out.

**Q. Once you solidified a Top-125 spot, did you ever think about skipping this week?**

**BROOKS KOEPKA:** No, because I wanted to try to get to Atlanta, so you're only one tournament away from being there. You go out and you win this week and you're there.

**Q. What's kind of going on more, is it more like physical fatigue or mental fatigue maybe with all the weeks you're playing in a row?**

**BROOKS KOEPKA:** Not physically, not physically tired or mentally tired about anything. But I don't know, have the weekend off, so...

**Q. Looked a little bit today like you were maybe struggling a little bit on that left side today. Did you kind of feel that?**

**BROOKS KOEPKA:** Yeah.

**Q. Just the knee or --**

**BROOKS KOEPKA:** It's not the knee.

**Q. Not the knee? Okay. When you missed the cut at 3M, you worked pretty hard when you got back home with your coaches. Will you be doing something similar this time or is this just R&R?**

**BROOKS KOEPKA:** No, this is physical, yeah. I know how to do it, I can do it, I just physically can't do it.

**Q. You're just going to rest until next week, is that what --**

**BROOKS KOEPKA:** Pretty much, yeah.

**Q. Because after 3M you grinded, right?**

**BROOKS KOEPKA:** My golf swing's fine. If I can physically do it, then yes, everything's fine.

**Q. Okay. But at any point did you think, you know, about withdrawing from the tournament?**

**BROOKS KOEPKA:** I don't quit, so I'm not -- I told Mark, I told everybody I would be here, so I'll finish it out. Even if we had gotten the rain delay and had to come back tomorrow and finish one hole, I would have been here.
