

**HAROLD VARNER III (-9)**

---

**Q. Harold, how did you play today out there?**

**HAROLD VARNER III:** Obviously not as well as yesterday, but we got around there. Kind of sloppy, but we'll be still in the thick of things obviously. Just got to figure it out. Just didn't give myself as many looks and I needed some key saves and I just didn't get it done.

**Q. Drive as many fairways or was it just --**

**HAROLD VARNER III:** I definitely missed more fairways, but it's a part of it. I found a few things coming in, so I'm just going to work on that. It's not rocket science, just keep doing what I'm doing. I love playing golf, so it's just one of those days.

**Q. Is there a birdie that sticks out in the round that --**

**HAROLD VARNER III:** Yeah, for sure. Nos. 1 and 2, I just saw some funny stuff out there and I thought it was pretty funny on the back side, my front side, and I just couldn't stop laughing. Yeah, No. 2 for sure, chipping in. Just momentum's everything. Yeah, lost a little bit of it on the three-putt on 4, I guess, 5, whatever hole it is. But it's all good, it's golf. Same thing.

**Q. I was listening to a podcast, you were talking about the house you were building and the game room, the man cave. Can you tell me about some of the toys you've got?**

**HAROLD VARNER III:** Yeah, I've got some awesome toys. Yeah, I got a RZR, a Textron, indoor hitting facility, bathroom, shower. It's pretty sick. I changed my oil in my car last week. I don't know, I mean it sounds crazy, but it's something I've always wanted so I don't find it that crazy. Yeah, I've got a lot of lawn mowers. It's fun.

**Q. And how far can you hit it out there on the range?**

**HAROLD VARNER III:** You can hit it, to my parents' house is 295 yards, but just left of it's like 415 yards. So it's pretty cool. Yeah, it's a full-blown driving range. Got a pond out there. I wish my house was on it, though.

**Q. You're playing eight or 10 events here in this run. How do you conserve your energy and does playing in your home state kind of give you a little bit of a boost?**

**HAROLD VARNER III:** It's pretty easy for me. I had two weeks off before the PGA, so that

was awesome. Yeah, I didn't really think of it like that. We had three months off, so it's not like you should be that tired. I didn't do too much, but yeah, big stretch coming up the next couple weeks, but I'm playing well, so it makes it a lot easier.

**Q. This weekend's going to be some weather, some softer conditions, some start and stop. I know you guys are used to the start and stop, but how do you kind of deal with that and what you might have to do with the softer conditions maybe to combat some things?**

**HAROLD VARNER III:** I've got to hit some more fairways whether it rains or not. They said it was supposed to rain all day today, but it didn't. I'm always glass is half full, so we'll see what happens. I don't control that, so we'll just do what I do best, play golf.
