

DOC REDMAN (-18)

Q. Doc, what a finish for you birdieing your last six holes. Tell me your mind thoughts standing on 13 tee.

DOC REDMAN: Yeah, I was playing well, 4 under, missed some opportunities, but you know, the last few holes are pretty easy and I just got hot. It happens, so it was awesome.

Q. Your ball-striking was just impeccable in this final round, 17 of 18 greens. You only had 76 feet of putts, that's because you hit it an average of 16 feet away from the hole.

DOC REDMAN: Yeah, no, I hit it well. I didn't feel like I hit it very well yesterday and made some adjustments on the range. You know, I know if I can get it rolling, especially early, with my ball-striking, then I get a lot of confidence and there's no telling how close I can hit it.

Q. Can I ask you what the adjustments were in general terms?

DOC REDMAN: Yeah, no, I was just -- I didn't feel like I was getting off my right side very well and then I was just had a lot of tension in my left arm and my left hand. Just tried to loosen it up a little and I was able to hit it a little more solid.

Q. Well, we still have more than three hours of golf left. What are your thoughts?

DOC REDMAN: I mean, we were kind of joking about it earlier in the round. I don't know, I wouldn't expect to have any chance, but it's awesome to have a really good round and, you know, post a good finish, whatever it happens to be.

Q. I don't know if you're going to win, but I would certainly stay on property for a while, okay?

DOC REDMAN: Yeah, I'll be around, for sure.
