

ROUND 3 INTERVIEW
November 8, 2020

KEVIN SUTHERLAND (-15, playoff in progress)

Q. Kevin, what a day.

KEVIN SUTHERLAND: I know, it was crazy.

Q. Just take us through your thoughts.

KEVIN SUTHERLAND: Yeah, my day as a whole, I did not drive it very well, so I really struggled to get consistent looks at birdie and a lot of trying to save pars. Back nine I made a few birdies. Obviously the long putt on 18 to get into the playoff was pretty much the highlight of my day. Then we played five holes?

Q. Six.

KEVIN SUTHERLAND: Six holes. We played them really fast, by the way. Just seemed like we couldn't make a putt. We had some opportunities for birdie, but neither one of us could find a way to make one. We're back here at 8:00 in the morning, we'll see what happens.

Q. Is this how you like to attack, just go until the light's gone?

KEVIN SUTHERLAND: Yeah, I did this once before and had to come back the next day. I prefer to get it done on Sunday, but coming back the next day is not so bad. We'll see you early in the morning.

Q. Any thoughts on not attempting that last putt there?

KEVIN SUTHERLAND: Not what?

Q. Any thoughts on not attempting that last putt?

KEVIN SUTHERLAND: No, I didn't want to come back. I would rather just putt it. I had the same putt, that same line about two or three times in the playoff, so I was pretty sure it was just like a left center putt, just make a good stroke from that distance. Went right in the middle so it was no problem. No, I never considered it. I would be more -- we were thinking about taking it on the third shot than we would on the putt.

Q. Is it hard to sleep on these things like tonight?

KEVIN SUTHERLAND: I don't know. When we were at Mississippi, I did not sleep well that night. Different situation, though. I thought I kind of let some holes get away from me. I had

some good looks at birdie that -- the putt I had on 17 just didn't want to go in, so that happens. I have no regrets on that at all.

Q. Do you have to call the hotel and get another night or were you already staying tonight?

KEVIN SUTHERLAND: I was not. I've got to go find a hotel, that's next on the agenda.
