

**ROUND 2 INTERVIEW**  
**February 26, 2021**

**ABRAHAM ANCER (-7)**

---

**Q. Nice playing. Did you just birdie that hole after that long wait?**

**ABRAHAM ANCER:** I did, yeah. I had no idea what was going on over there, but we were having a good time with Kisner and Tommy. We were having a good chat, so we didn't mind the wait.

**Q. Yeah, that was a long time. So you're still, you're three back, I think, chasing your first victory out on Tour. Do you feel close as ever or do you feel like you're kind of inching close, sneaking up on it?**

**ABRAHAM ANCER:** I feel like I've been close for a while. I'm not really thinking about if I should win or when, I'm just trying to do my best. There's a lot of things I can improve on, so I'm just doing my thing, playing the golf course how I feel it's to be -- to the best of my ability and I'm having a good time.

**Q. How did Bobby do?**

**ABRAHAM ANCER:** He's doing great. Obviously he's not used to caddying, so there's been a couple of greens that he's like waiting for the putter instead of giving me the putter, but it's been fun. We're great friends, we're having a good time, he's doing a great job.

**Q. Has he beat you very much? You've been playing together since you were 14, right?**

**ABRAHAM ANCER:** What's that, sir?

**Q. Haven't you guys been playing together since you were 14?**

**ABRAHAM ANCER:** Not since we were 14. He's a little bit older than me, he's four years older than me, so I didn't grow up playing with him or against him. But I met him right when I turned pro and I met him at Q-School and since then we've been great friends and we've played a lot of golf together. We live in the same city and members of the same club, so we do a lot of our rounds together.

**Q. Where are you guys members in San Antonio?**

**ABRAHAM ANCER:** Oak Hills.

**Q. Oak Hills?**

**ABRAHAM ANCER:** Yeah.

**Q.** And is it pretty much 50/50 who beats whom?

**ABRAHAM ANCER:** Yeah, he beats me all the time. We just, back then it's just a good practice and just really having fun. I feel like I play better, a lot better in tournaments than back home, to be honest, too.
