

ROUND 3 INTERVIEW
June 13, 2021

JERRY KELLY (-14)

Q. Here with a happy champion. How does that sound, back-to-back wins in your hometown, amazing feat that you just had. Back-to-back wins, can't get any better than this right now?

JERRY KELLY: Can't get any better than this, Billy Ray. After doubling the 18th hole yesterday and bogeying the first hole, I was reeling a little bit, and those two birdies settled me down and just tried to grind as hard as I could. It means so much for me to win around here, and now twice, I'm over the moon.

Q. After the double bogey yesterday at 18, you went to the 18th tee today, what was your mindset there knowing that you need to have a good drive?

JERRY KELLY: Right of bunker, right of bunker. Yeah, I don't care what I had in. And I would say I hit probably the best shot of the day for me on the second shot. It was a little cut 5-iron and it just doesn't spin up there for anybody. We didn't know that, we see it now. Yeah, I was happy with my performance and really proud.

Q. You had a lot of support out there today, but your mom, Lee, out there charting, keeping scorecards and planting the feathers out there for birdies, how special it to win not only in your hometown but with your whole family around as well?

JERRY KELLY: Yeah, mom is such a rock, always saying my dad's watching, which I know he is. The ladies in my life, my wife, Carol, she was just so happy last night even after I doubled. It was just kind of like, c' mon, let's go have some pizza, grab a beer and have some fun. Life goes on.

And if I would have known -- I just think the way I took it and the way she had me take it last night, you know, you always wonder how would you feel, how would you be acting right now if you knew you won the next day, and that's the way she took it and she gave it to me and I give her all the credit, that's for sure.
