

JON RAHM (-15)

Q. You said you felt like you played really well today, but you probably didn't get the most out of it. Is that a (inaudible)?

JON RAHM: Yes and no. It's hard to say. I played really good golf. Tee to green was really, really good. The only hiccup was the tee shot on 10 and it wasn't even that bad. Maybe making a few more putts, right? That one on 18 was the first one outside 10 feet I saw roll in. If I can just keep that going and make putts like I did the first two days, I think tomorrow I'll give myself a really good chance.

Q. What are you most looking forward to about tomorrow?

JON RAHM: Enjoying a Sunday in the lead. It's been a little bit of a while. The crowd loves me so far, I can tell. You know, they want me to win, so hopefully I can do it for them. But so far I'm proud of the way I've played and I can just keep enjoying each moment and each second of it and hopefully play as solid as I have tee to green, keep hitting fairways, keep hitting greens, and like I said, just roll a few and hopefully extend that lead.

Q. (No microphone.)

JON RAHM: Yeah, I think that putt on 8 was important. A little bit of a slow start compared to the rest. Made birdies on 6 and 7 and after those shots into the green it could have been a lot better. Making the par putt on 8 was important. Even though I made a bogey shortly after, that's a huge confidence booster. I think I just stayed patient enough all day. I kept giving myself chances and doing what I had to do. Luckily, I made the one on 18, I think that one was a big one. Those two putts were huge.

Q. Do you feel different when you wake up on Sunday in the lead or is it all kind of the same?

JON RAHM: It's kind of the same, but obviously you're aware that you're leading and you want to do it better, but essentially it's the same.
