

ROUND 4 INTERVIEW
August 7, 2022

MAX McGREEVY (-13)

Q. Max, how would you describe the feeling of accomplishing the goal you set out to do at the start of the week?

MAX McGREEVY: Yeah, I think my goal was just to play good golf. I wasn't trying to get a certain amount of points or finish Top-30 or something like that. I haven't played good golf in a long time, so I was just trying to play good golf and I thought it could take care of itself. Felt good to put four good rounds together, for sure.

Q. Did you think before the week, did you think this was a course that would suit you?

MAX McGREEVY: I'm sorry?

Q. Did you think this was a course that would suit you?

MAX McGREEVY: Yeah, definitely. It's not really a bomber's course, so I hit a lot of fairways, I relatively hit a decent amount of greens and just luckily I was able to make some more putts. But yeah, it suits me fairly well and hopefully one I'll want to come back to for a long time.

Q. And you said the other day that your fiancée and your dog are here?

MAX McGREEVY: Yeah.

Q. Do you travel with them all the time?

MAX McGREEVY: My fiancée comes with me about every single week. The dog, not so much. Maybe after this week we might start bringing her a little more.

Q. What's his name and what kind of dog is it?

MAX McGREEVY: It's a Chihuahua, a little 8-pound. Her name's Belle.

Q. And your fiancée's name?

MAX McGREEVY: Olivia.

Q. How much confidence do you take -- as you said, you haven't played a lot of great golf recently. How much confidence do you take into Memphis now after your week

here?

MAX McGREEVY: Huge. Luckily I've actually been able to play that golf course a couple of times before, so it's even going to give me that much more confidence going into next week. Game feels really, really good and I feel like I could have popped off and played better than I did this week. Just super excited to have got it done, but just that hard work I've kind of put in these last couple months has actually shown.
