

ROUND 1 INTERVIEW
20 October 2022

LUCAS GLOVER (-2)

Q. Home state guy coming here playing well, just what does this mean for you?

LUCAS GLOVER: No, it's great. I had a few weeks off, so today was the first day back for four rounds, so it was good, had a good time. High man in my group, so we had a good time out there.

Q. Obviously you've been here before, you really promoted this course. What is it about this course that's such a hidden gem that makes it worthy of hosting this kind of event?

LUCAS GLOVER: Well, the cause, first of all. Why they built the place, for the foundation. That's first and foremost, that's what makes this place cool. Then they built obviously a world-class facility as well. As good as it is, they'll tell you, too, that's the second reason they're here. First reason is to help some kids out that need it and they do, they do a heck of a job of it.

Q. The fact that you're here playing in this event, what does it say about the state of your game right now?

LUCAS GLOVER: I had a good Playoffs, let's put it that way. It wasn't a great year leading up to it, but took advantage of being in Memphis and that got me in here. Yeah, I still feel like I can play out here, so I'm happy to be here at a great tournament, great field and just back playing.

Q. As an ambassador, what does that encompass for you?

LUCAS GLOVER: I think it just means they know you'll help out when needed. I think that's probably what that term actually means when we get down to it. That's a pretty good thing to call the people involved here.
