

**BRIAN STUARD (-6)**

---

**Q. Brian, in with 6 under this morning, conditions were pretty good. What was the golf course like? What did it play like for you?**

**BRIAN STUARD:** Yeah, soft, receptive, greens were rolling great. You kind of felt like you had to take advantage of a day like this, for sure.

**Q. Yeah, very little wind this morning. It's anticipated to strengthen this afternoon. You did take advantage of it. What did you do particularly well out there? I see you had an eagle at No. 9. Talk about that a little bit, too.**

**BRIAN STUARD:** Yeah, I played pretty solid. I didn't drive it great, but I putted really nice, made a nice putt on No. 1 to kind of get me going. Then obviously, I think I was even through 8 and then holing the shot on 9 kind of kickstarted my round, I guess.

**Q. What did you hit there? How long was the shot?**

**BRIAN STUARD:** It was playing 136 up the hill. I hit pitching wedge in. It was just kind of a perfect smash pitching wedge and luckily it went in.

**Q. Could you see it go in?**

**BRIAN STUARD:** No, it was way up the hill.

**Q. Was there anybody up there?**

**BRIAN STUARD:** Yeah, there was a few fans yelling, yeah.

**Q. What's your form been like coming in here? What have you anticipated coming To bermuda this week?**

**BRIAN STUARD:** Yeah, I've been playing better. Haven't played in the last three weeks, haven't gotten in, but yeah, just kind of been practicing a little bit trying to stay sharp. Feel like my game's there, just kind of got to get it done. Today I was able to get it in the hole, which was nice.

**Q. This is your fourth year here. What have you learned in the previous three trips that helped you today?**

**BRIAN STUARD:** Yeah, I think you've got to drive it well on a few holes and then just kind

of got to take advantage of the par 5s are all kind of gettable. But yeah, I think the greens are great, so you just kind of have to hole some putts and you've got to take advantage of days like today. I mean, I can only think of maybe one other day we've had no wind around here, so it was a great morning to play golf.
