

ROUND 4 INTERVIEW
November 20, 2022

SAHITH THEEGALA (-17)

Q. Sahith, you were pretty animated after the approach on 18. What happened there and what did you see? What did you think was going to happen there?

SAHITH THEEGALA: Yeah, I was just right in between clubs, which seemed to be a pretty common theme the last couple days. I think that's some of the reason why I haven't been hitting it too close, but it happens, it's just golf.

It was really close. I just went with a hard wedge and I hit it pretty stock and just missed drawing it a little bit extra which would have given it five years maybe and a better look. I don't think it's going to matter anyway. But still, it just would have been nice to at least kind of get that closer to the hole.

Q. It's always easy to focus on that last shot, the last putt, whatever the case may be.

SAHITH THEEGALA: Yeah. I was -- honestly, it was still a good shot, 165 yards or whatever. It's freezing, left pin, still a decent look, but yeah, yeah.

Q. Going into a bit of a break, what do you take from this? Is there motivation because you put yourself in contention or you didn't get it done?

SAHITH THEEGALA: Yeah, a lot of it's positive, for sure. It's just awesome to be in this position. And I feel like I'm getting more and more comfortable and also don't necessarily have to play my A-plus or A-game to get there, whereas I felt like the first couple times, like in Phoenix and even at Sanderson, I was playing like as good as I could I feel like almost in those couple events. The last couple times I've been in the top-10, it's felt a lot more, I don't want to say easier, but I can feel the progression in my game, I can see the progression in my game. That's a big positive.

But obviously not to -- not to get it done today is going to sting for a little bit. That's just kind of who I am. I think everyone out here would feel the same. Just being a competitor and being so close to the big goal and not getting it done is always going to sting. Again, so many positives and just thankful for the whole year.
