

ROUND 3 INTERVIEW
January 22, 2022

KEN TANIGAWA (-17)

Q. Ken, thanks for joining us. Can you just tell us your thoughts on this week overall?

KEN TANIGAWA: Oh, bow, what a week. It could arguably be the best event of the year between being here at Hualalai and Mitsubishi with their support of the Champions Tour and just being -- the vibe, it's just an incredible spot and just really fortunate that we could be here and play.

Q. What's your takeaway about your game? What do you take away from this moving forward?

KEN TANIGAWA: Well, I take away a lot. I played great overall. You know, I hit a lot of good shots and I didn't know what to expect. Actually I curbed all of them down really coming into this week. I took a big break after the season's over last year and I just, just wanted to have fun. It's hard not to here, it's such a good environment and it's so beautiful. Yeah, look forward to getting back to playing wherever I play next. Yeah, it should be good.

Q. Good start to the season though?

KEN TANIGAWA: Yeah, for sure. Why not, right? It's good.

Q. Are you happy?

KEN TANIGAWA: Yeah, I'm happy. Well, I --

Q. I know, besides that.

KEN TANIGAWA: I'm happy. There's no way I could have caught him. I didn't even know where I finished.
