

**ROBERT KARLSSON ( -9)**

---

**Q. So obviously much better round today than yesterday. What was the difference?**

**ROBERT KARLSSON:** I hit some shots to the right yesterday. I talked to my coach yesterday and he gave me some pointers and I took it with me today. Obviously it worked very, very nice. But I hit the ball quite good yesterday, it was just I had a few shots offline. Pretty happy in general how things are going.

**Q. So those adjustments, what exactly were they?**

**ROBERT KARLSSON:** More clubface on the ball. A little bit open clubface coming into the ball and you can kind of work a bit with it. But I didn't want to do any bigger things. He said as well if you can just understand it and kind of tweak it a little bit, because I hit a lot of good shots yesterday as well.

**Q. Can you take us through 17, the eagle?**

**ROBERT KARLSSON:** Yeah. I hit a driver off the tee and it's almost impossible to hit the fairway so it rolled through the fairway. Hit a 9-iron from 157 yards to 15, 16 feet.

**Q. So mindset going into the final round?**

**ROBERT KARLSSON:** New day tomorrow. Guys out there trying to play really well, I'm one of them. Just a new day and just try to do the same thing and keep going.

**Q. Also, I think it was kind of in the middle, you didn't bogey at all today and it was par, par, par, then you got on a roll there. What was the difference?**

**ROBERT KARLSSON:** I didn't really hit that many good shots kind of from five to 10, 11. Had a couple chances, but just didn't hole them. Then 12 is a par 5 and I could get up very close to the green, and then 13 I holed a really, really long putt and all of a sudden things kind of went the right way again. So, momentum.
