

## MEXICO OPEN AT VIDANTA

### ROUND 2 INTERVIEW

April 28, 2023

### BRANDON WU (-12)

---

**Q. Three birdies on your last three holes today, Brandon, overall great round. How were you able to finish so strong?**

**BRANDON WU:** Yeah, I think wind probably laid down just a little bit at the end there. The holes are still playing long and tough. I think I hit 4-iron into 16 and 5-iron into 17, but luckily hit some good iron shots, made the putts to make birdie, so that was a nice way to finish.

**Q. You mentioned to me earlier this week that you're trying to lower your ball flight a little bit to help with dealing with the wind. How much has that helped you out here on this golf course?**

**BRANDON WU:** Yeah, I think every driver I teed pretty low just to kind of keep it under the wind, get it running a little bit. Yeah, I think it's been good. I've definitely been driving it well so far this week, so I think got to keep that up this weekend.

**Q. Still looking for that first PGA TOUR win. Heading into the weekend, what kind of mindset are you trying to come into it with?**

**BRANDON WU:** Yeah, I think just focus on myself, play my own game. I really enjoy the course, there's plenty of birdies out there, so if I can just focus on staying within myself, not getting too caught up in trying to win my first time or whatever, I think I can have a good weekend.

**Q. Obviously draining a few putts left and right out there, but where do you feel most confident in your game right now, what part of your game?**

**BRANDON WU:** I think everything's felt pretty good. I think yesterday my short game kept me afloat. I missed a lot of greens. Just be able to chip it close and make a few putts, definitely have putted well as well. You can hit it close, but you've got to roll it in to make birdie, so I think that felt really good, too.
