

ROUND 3 INTERVIEW
June 11, 2023

STEVEN ALKER (-13)

Q. Two under on a day like this, not bad, and another incredible finish. Just a few takeaways from the week?

STEVEN ALKER: Yeah, I was just trying to chase Stricker down again. It's kind of like how it's been all year at the moment.

Yeah, it was pleasing. I got a nice start. Yesterday kind of hurt me a little bit on the back nine, I played the back nine par yesterday and that kind of slowed me down. If I had been within one or two I would have felt a bit better, but had to do some chasing today.

But yeah, still pleased. I didn't have my A-game, especially today it was just a little bit rusty. Yeah, just pleased with the week. I had that week off, just come back in and to have a solid finish is good.

Q. And just a quick comment about what Steve's doing? He's in another world.

STEVEN ALKER: Yeah, he is. It just shows how classy he is, how good he is. I played with him the first two days and just no mistakes, he's putting good and wedging it good and just being Steve Stricker.

Yeah, we've got a lot of work to do. We need to win some big ones or he not play for the rest of the year, maybe that would do it, I don't know.
