### ROUND 2 INTERVIEW

June 24, 2023

### THONGCHAI JAIDEE (-9)

---

**Q. Thongchai, put yourself in good position for tomorrow. Just takeaways from Round 2?**

**THONGCHAI JAIDEE:** Yeah, very good up and down today. I play some good up and down, we have two chip-in today like par 3s on 7 and 9 you could chip in for two hole, that make me confident back. Anyway, the putting getting back a little bit. Hole my putt, I think that's why feeling back. Otherwise you don't know anyway, just play I think make me a lot better today. Yeah, that's why my confident back a little bit.

I hope play well again tomorrow. I don't mind play this course in wet condition, I think to prepare for the rain, but it's very good today. I'm going to enjoy that, look forward to see you tomorrow. What happen tomorrow, try to give my best tomorrow. It's 9 under front nine.

**Q. Obviously you were runner-up last year here at the DSGO. What about this course suits your game so well do you think?**

**THONGCHAI JAIDEE:** I think, you know, I was talking about putting early in the year, but try to get back, anything for feeling back. I mean, you know, nice to be back here. We have two round 9 under, give me a chance for tomorrow. Playing my own game, hit a lot of fairway, hit a lot of green. I think my feeling back about putting, hopefully we hole some putt tomorrow so I give my best.

**Q. You kind of mentioned the course a little bit. After the rain last night, did you notice the course being any different today?**

**THONGCHAI JAIDEE:** Nothing much. The course not wet, just play like normal. It's just a bit soft, but play well. I know everyone playing in same condition. I mean, like the fairway, I think pin up today, that's why make it fair and everything you can see the (indiscernible) score today. For me the condition is great, the green play well. It who going to be putting challenge this week, going to be low score.
