

**ROUND 4 QUICK QUOTE**  
July 30, 2023

**AARON BADDELEY (-15)**

---

**Q. Aaron, good week, 2 under today puts you at 15 under total for the week and that puts you top-10, and as your wife was just saying, into next week. Just some thoughts overall?**

**AARON BADDELEY:** Yeah, it was a great week this week, just played really well all week. Even today I played really well, just didn't quite get the putts to fall today, so that was a little disappointing. But overall it was a great week, another top-10. I feel like I'm pretty close to locking up Top-125 for next year. So make a push next week to try and get that top-70, but the main goal is I think accomplished now.

**Q. Were you watching where you were on the leaderboard knowing you needed to top-10?**

**AARON BADDELEY:** Yeah, yeah. I still had a look somewhere around the front nine there and just knew that if I made a few birdies coming in, I would be in a good spot. I was trying to sneak into that top-3.

**Q. Is the mindset now Wyndham you would love to do that, but just overall where you are in the points, just feeling good about 125? Is that kind of where you're at know?**

**AARON BADDELEY:** This goal at the start of the year was, number one was trying to have a win, and secondly was secure the Top-125. Coming out of the past champions category is never that easy because you don't know when you're going to play. To be almost locked up for that is pretty awesome. But tomorrow -- next week I'll try and make another good push to try and get a top-70.

**Q. A bit of relief at this point in the season feeling like you have a good chance at the Top-125 based on where you've been the last couple years?**

**AARON BADDELEY:** Yeah, 100 percent. It's nice to be able to just pick and choose a schedule a little bit more, just keep looking at the phone just seeing which tournament I'm going to get in.
