

ROUND 4 QUICK QUOTE
July 30, 2023

CAM DAVIS (-14)

CAM DAVIS: There was a lot of good stuff. Yesterday I got past that rough stretch in the middle of the round well (inaudible) birdies. So I'm very happy with the golf that I played considering I was outside the number with a couple tournaments left. Hopefully some good form this week leads into next week well and we keep moving forward.

Q. You mentioned the rough stretch in the middle of the round yesterday, but good comeback, 10 under in the last 25 holes works anywhere. This will probably move you up a little bit heading into next week. Just what do you look forward to about next week?

CAM DAVIS: I'm just going to have to do the same thing I did these last 25 holes as far as next week. It's nice to see some putts going in, nice to see a lot of greens in reg, a lot of chances to make birdies at the moment with the way I'm playing. Yeah, it's going to be different grass, different weather, all that sort of stuff next week. We'll just have to adjust (inaudible.)

Q. What do you do to adapt to those different conditions, what do you do personally?

CAM DAVIS: It's just practice, practice rounds, see how the greens are rolling, see how the rough's playing, just got to (inaudible) tournament. Yeah, that's pretty standard week to week for me.

There's not a lot of adjustments, it's going to be hot again most likely and we're used to that earlier this week. We've already got our distances pretty dialed for that temperature, which is typically hot. Yeah, everything's going further, (inaudible) out here instead of really trying to finesse shots in because everything just kind of goes a long way. Yeah, it should hopefully translate really well to next week.

Q. Finally, when you're in this position like this and you're kind of around that bubble, do you kind of relish that a little bit in a way?

CAM DAVIS: I've been in a few situations where my back's been against the wall since I've turned pro, most of the time it's worked out well for me and kept me moving forward. So I would like to keep that trend going and play well next week and get myself to the Playoffs. I feel like once I get there, I feel give it a pretty much (inaudible.) I mean, that's the goal is play a really solid tournament next week.
