

ROUND 4 QUICK QUOTE
July 30, 2023

LEE HODGES (-24)

Q. Lee, you're the first wire-to-wire champion here at the 3M Open for your very first PGA TOUR victory. How proud are you of the way that you've handled yourself from start to finish?

LEE HODGES: This has been a dream week. I've got the best caddie in the world, I've got the best wife in the world. Mom and Dad, sorry you weren't here, I wish you were. I've got the best everybody. I mean, I've got the best team in the whole world and they work so hard and I couldn't do it without 'em.

Q. Today we've learned how much you mean to so many. Your coach flew in, your wife is here, your home club threw a viewing party where over 100 people were going crazy, we showed that. What do they mean to you and the support that they provided through this journey?

LEE HODGES: I'm just proud to be from Alabama. It's unbelievable the support I get from home. Coach Seawell, I didn't see him till right now. I just saw my buddy Robby's here. Man, I'm just happy everybody's here and everybody back home I hope is going insane.

Q. I think they are, that's confirmed. Enjoy that celebratory milkshake. Lee Hodges, you are a PGA TOUR winner.

LEE HODGES: Thank you so much.
