

**ROUND 4 QUICK QUOTE**  
July 30, 2023

**KEVIN STREELMAN (-17)**

**Q. Kevin, thanks for stopping by. I've seen a lot of you this week, which obviously means you've done well, 5-under 66 to finish what really is a good week, I would imagine. If you could just kind of recap today and the week?**

**KEVIN STREELMAN:** Yeah, you know, I was proud of it. It hasn't been that great of a year, my ball-striking's felt off. I told you about this little kind of feeling I had that really resonated with me, so really kind of came to fruition today. I was hitting it far, was hitting it straight. Got the putter -- I missed a short one on 10 that really ticked me off. I kind of sometimes need that little fire, and then rolled in a beauty at 11, beauty at 12, chipped in at 13. All of a sudden you get those juices going. It's what we do it for, I love that part of this game.

So to finish like I did, wasn't too bad of a three-putt on 17, but the birdies on 16 and 18, it's pretty solid golf for me.

I've got to give credit to the Johnnie-O palm tree shirt, I think my scoring average is like 66 in this thing, so I've got to keep running with this thing. I wore it Thursday, played one of the best rounds of the year, and then today. I'll keep washing it, we'll run it while week.

**Q. At the risk of asking a question with an obvious answer, are you the type that can take away from this week moving on to Greensboro?**

**KEVIN STREELMAN:** Yeah, I hope so. I worked hard this last week, I worked hard this week. Now it's about like getting my body back, getting my mind right.

I'm going to see some buddies tonight, have a few beers and just kind of chill out. Kind of take it really easy Monday and Tuesday, to be honest. At my age and been doing this a while, it's kind of the end of the year. Priority one is getting that energy back Thursday morning when we have to go again. Game feels good and swing feels great, so keep doing what I'm doing.

**Q. And last question, stayed with Larry again this year. How much fun is that? How much golf do you all talk at the end of the day?**

**KEVIN STREELMAN:** That's all Larry wants to talk about is golf, he's a nut. But he's a great friend and a great person and it made this week really enjoyable for me.
