

QUICK QUOTES
August 6, 2023

ADAM SVENSSON (-12)

Q. Adam, if you could just take us through your round. Three birdies on the back nine, just take us through today.

ADAM SVENSSON: Yeah, it wasn't too bad, just the putter's been kind of letting me make down the last two days. It was hot first two and not so good the last two. That's the way she goes.

Q. Obviously a safe spot going into Memphis next week, but just talk about the mindset going into the Playoffs.

ADAM SVENSSON: Yeah, obviously the goal is try and finish top-10 next week and hopefully that's good enough to move into the top-30. Yeah, just go out there and just try my best and see what happens.
